

My Heart's Gone Too  
Lyrics/Chords by Alex Klages  
Fake It Challenge – 50/90 2019

Em Am  
walking alone on the sand  
Em Am  
wishing you still held my hand  
Em Am  
shouting out into the ocean's breeze  
C B<sup>7</sup>  
no reply but the rustling trees

Em Am  
crying alone in the park  
Em Am  
as the skies grow ever dark  
Em Am  
wandering off into the evening's fade  
C B<sup>7</sup>  
no reply among the deep shade

E Am  
where have you gone?  
E Am  
where have I gone?  
E Am D  
when you left you took me with you  
E Am  
where have you gone?  
E Am  
where have I gone?  
E Am D  
now I don't know what I should do  
D C  
because you're gone  
C Em  
and my heart's gone too

Em Am  
standing alone in the crowd  
Em Am  
feeling like it's all too loud  
Em Am  
trying now to hide away somewhere  
C B<sup>7</sup>  
no reply and nobody cares

E Am  
where have you gone?  
E Am  
where have I gone?  
E Am D  
when you left you took me with you  
E Am  
where have you gone?  
E Am  
where have I gone?  
E Am D  
now I don't know what I should do  
D C  
because you're gone  
C Em  
and my heart's gone too

A Em  
gone and washed away  
A Em  
gone and never coming back  
A C B<sup>7</sup>  
gone with the changing tides  
A Em  
will I ever heal?  
A Em  
will I ever feel again?  
A C B<sup>7</sup>  
will this ache die inside?

Em Am  
walking alone  
Em Am  
crying alone  
Em Am  
standing alone  
Em  
alone
